Request for Applications (RFA) for Small Organization Capacity Building Grants**

RFA Deadline

The Request for Application deadline is 5:00 pm on March 15, 2010. Electronic submission only.

RFA Process

A pre-grant meeting with a Program Officer is required prior to application submission. Please refer to our Website at (www.kbr.org) or call 866-551-0690 for further information about meeting with Trust staff. The application for this RFA, other than identifying information, consists primarily of a one-page narrative along with the submission of the standard supporting documents. The grants process, with the exception of the modified application, will follow our standard submission and notification schedule.

Eligibility

Nonprofit (501c3) organizations **with annual operating budgets of less than \$500,000** working on prevention and treatment issues consistent with the Trust's areas of emphasis:

- Disease and Illness Prevention
- Health Promotion and Wellness
- Access to Primary Care
- Mental Health Services
- Diabetes Care and Management

Selection Criteria

Priority will be given to the following:

- Minority-led organizations
- Grassroots, community-based organizations.
- Organizations located in Tier One counties (see <http://www.nccommerce.com/en/BusinessServices/LocateYourBusiness/WhyNC/Incentives/CountyTierDesignations/>).
- Organizations located in regions where there is minimal nonprofit capacity building programming available.

Depending on response, priority may also be given to organizations that are:

- New to the Trust
- Part of informal or formal partnerships where there may be an opportunity to consolidate capacity building activities

Grant funds available

Up to \$150,000 will be made available under this RFA. Maximum grant awarded will be \$15,000 per organization. All grants are limited to one year terms only.

Areas of Capacity Building Interest

The Trust is interested in work that focuses on increasing organizational ability to be a more effective community-based partner in accomplishing their mission. This will generally include various integrated coaching, mentoring, and board development activities. The program is not intended to respond to specific technology, human resource, data management, or legal issues that have a project orientation.
